## About

I am a dedicated developer with experience in building dynamic websites and applications. My focus is on writing clean, efficient code and delivering solutions that provide value to users. I enjoy learning new technologies and applying them to real-world projects.

## Education

**Bachelor** — Tashkent University of Information Technologies (2023 - Present)

*Currently pursuing a Bachelor's degree in Digital Economy at Tashkent University of Information Technologies, focusing on software development, web technologies, and practical projects to build strong technical skills and problem-solving abilities.*

## Professional Experience

No experience records available.
